## 2017 Events for the EDO

We are proud to announce the 3rd Annual Business Expo & Flea Market was a huge success last year.

\*\*\*\*\*

We are having the next one on July 15th, 2017, but it will be on Main St., under huge tents.

### McComb's Town & Country Showcase

is the new name. We are planning on having live music and lots of other fun things to do.

\*\*\*\*\*

We want to make this an exciting fun filled day for everyone. If you have any ideas, we would love to hear from you. Call 419-250-9062 OR email me at [carolcary26@yahoo.com](mailto:carolcary26@yahoo.com). You are welcome to join us at any meeting and

We have began a new venture.

### "Good Neighbor" Greeters

We have two ladies, Caroline Wasson and Eileen Challen, that are visiting newcomers to McComb. They contact them and schedule a time to visit with them. We have a "Welcome Bag" with gifts from our local businesses and Flowers from primrose for them. There is a booklet in it that we put together, the [McComb Business and Service Directory](#). It lists all the businesses in and around McComb.

People have liked it so much, and have asked about getting one for others.

We printed more and have mailed them to everyone in the 45858 zip code. If you haven't received one yet please contact us and we will one to you.

If you would like to be a vendor or part of the entertainment in the "Showcase" this year, please contact Carol Cary at [carolcary26@yahoo.com](mailto:carolcary26@yahoo.com) or leave a message at 419-250-9062 and she will contact you as soon as possible.

## **Business Showcase -** Two of our newest businesses!

Northwest Ohio Water Doctor was founded in January 2017 by Jeff Taschler. After working 10 years in the water industry my passion was to start my own company and provide reliable clean water to Northwest Ohio, while having a positive effect on everyone I encounter.

Northwest Ohio Water Doctor is a professional full service company that specializes in water treatment. This includes water filtration and conditioning to residential, commercial and industrial. We strive to install quality water systems, at an affordable price, with great customer service. Our products and services include: water softeners, reverse osmosis drinking systems, sulfur removal, filtration systems, hydrogen peroxide, salt delivery, sump pump and well pump services. Northwest Ohio Water Doctor is making water the right way for a clearer future.

## Land available for development

**State Route 613** runs east-west through the Village as our Main Street and along the southern border of a proposed industrial site on the west side of the Village.

It is important to note that these sites are adjacent to the railroad tracks running east and west. The Village is about 6 miles from the CSX Intermodal Rail Yards in North Baltimore OH, via St Rt 235, and approximately 8 miles east, State Route 613 intersects with Interstate 75, the busiest north-south highway in the country.

**State Route 186** enters the Village in the southeast corner and passes by a Village owned 43 acre parcel, this parcel is beside and behind the Dollar general Store. 186 continues due north, ending at Main Street.

**State Route 235** runs north-south, adjacent to a proposed industrial site for the area
